I understand the following school policies: Our family is required to complete the Service Hours as outlined in the school handbook or pay a \$200 fee, as well as participate in the school-wide annual fundraiser. I also understand that Tuition does not include the cost of uniforms, breakfast/lunch, graduation fees, athletics, clubs & other after school activities, field trips, special classroom activities, other school events and the like. I also understand the School Office is unable to make change for cash payments so amounts paid in excess of what is due will be credited to the family account. Tuition payments are due in 10 installments (August-May) by the 15th of each month and are only prorated on a monthly basis, if needed.
